

B.A. in Philosophy

Concentration in Apologetics

Tyndale's B.A. degree in Philosophy is intellectually rigorous and biblically informed. Students concentrating in Christian Apologetics will be able to understand, articulate and defend "the faith once for all delivered to the saints" (Jude 1:3).

At Tyndale, you will be encouraged to develop the intellectual skills to love God with your mind, while being equipped to engage in apologetics ministries in the workplace, on the web, in the local church and on college/university campuses.

"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have." - 1 Peter 3:15

- Taught by leading Christian philosophers

"I am thrilled to see a program like this offered here in Canada. The excellent selection of courses offered and the breadth of training the students in this program will receive is impressive. With over 30 years experience as a Christian apologist on university campuses, this is exactly the kind of program needed to produce graduates who understand the times and can respond to the relentless attacks against Christianity in a way that honours Christ."

Kirk Durston, Ph.D.,
Apologetics Group, Power to Change (Canada)
